Once upon
a time there
was a
penguin
named
Waddles.

She
loved to
eat fish.

She was very scared of leopard seals.

She had black feet with claws and a white stomach and yellow on the side of its head

She did gymnastics

One day waddles mother was having a baby so she told waddles to go on a adventure. And she did.

She was out looking for stuff for the baby as she saw A BABY SEAL!

She skied home as fast as she could and her mom was home with the baby

So she started showing her mom the baby seal and how he could be family.

Waddles played and played and then they made fish and went to bed

Soon it was June 6 and it was flippers birthday and waddles got her a toy pony!flippers friend mellisa got her a baby doll.her other friend saige got her a ballerina dress there was chocolate fish cake at the party after they ate they all played family and finally everyone went home and waddles and her family all sang the happy birthday song.

The seal
missed his
mom so
they let him
go.

One day
waddles
flipper and
there mom
went to
the mall.

They
went ice
skating
and got
fish.

Soon they
needed to go
home and
make dinner
the next day
was
CHRISTMAS

So they
had guests
over and
had a feast

Soon it
was
10:00

So they went to bed but flipper did not sleep well so she went down stairs and sleep on the couch

It was 3:00 and flipper was still awake and she saw Santa she and Santa talked about flippers first christmas

Soon Santa had to go and flippers mom and dad came out and all celebrated christmas.

The

end
